- Zero debt company with the ability to execute projects 10Cr.

**TRYKON AIR CONDITIONING ENGINEERING YOUR STRATEGIC MEPF PARTNER**

**Riju Punnakal**  
Managing Director

Dear Reader !

Firstly,  
Let me thank you.

Our strength is our customer. Our theme is quality, integrity, time, efficiency and safety. Integrity is our foundation, quality and fairness are our goals and caring for the environment is our core objective. I strongly believe in hard work, delivering promised work to customers and giving preference to customer satisfaction in achieving business success.

Looking forward to longer & stronger business relations.

## COMPANY PROFILE

### Summary

At Trykon, we take pride in being your reliable and innovative heating, ventilation, and air conditioning (HVAC) solutions provider. With a commitment to excellence, we bring unparalleled expertise, cutting-edge technology, and a passion for customer satisfaction to every project we undertake.

### Our Journey

Established with a vision to redefine comfort and efficiency in indoor spaces, Trykon has been on a transformative journey since 1996. Over the years, we have evolved into a leading HVAC company, serving residential, commercial, and industrial clients with dedication and precision.

### Business Description

We are set up to provide turnkey services as the prime contractor. We can assemble a complete design/build team including, general construction contractors, specialty contractors such as electrical, PHE, along with our in-house piping, sheet metal and commissioning team to complete the most challenging of projects.
